- 10' - Cat. 2 & 3 semi-mount, 3-point or pull-type
- Pull-Type with dual leveling rods keeps cutter level and eliminates deck flex
- 10 Gauge deck, fully welded for added stability
- Deck height of 9 5/8" is tough to clog
- 1/4" Thick sidewalls help protect against piercing debris
- 1/2" x 4" Heat treated blades
- 2" Cutting capacity
- Full length skids with replaceable shoes
- 3/16" Round stump jumper protects drive components
- Pull-Type: Cat. 4 driveline with equal aAngle u-joint constant velocity u-joint available on 10'
- 3-Point: Cat. 4 driveline
- Slip-clutch protection on main driveline
- Gearbox rating: outboard 100 HP, T-box 120 HP
- Laminated tires on 3-point and semi-mount
- Chain or rubber guards reduce flying debris

Land Pride strongly recommends that front and rear shielding be used with any Rotary Cutter. However, they can be purchased with or without shielding. Please understand how your cutter is to be equipped for you.

RCR3510

(Shown with optional dual spindle tailwheels)

The heavy-duty stump jumper is a 3/16" steel formed dish with a 1" x 4" blade bar for superior gearbox protection.

Pull-Type offers a choice of used aircraft tires or laminated tires.

Laminated tires on 3-Point and Semi-Mount
